Midterm

- Material for midterm available in Connect
  1. List of Learning Goals (posted)
  2. Short questions on material (posted)
  3. Sample problem-solving questions (will post today)

- Material covered
  - Until Forward Planning (Heuristics for FP excluded)
  - See corresponding learning goals and short questions on Connect

- Midterm will be close textbook, no calculator or other devices
  - Part short questions similar or even verbatim from the list posted in connect
  - Part more problem-solving style questions

- There will be an individual exam followed by a group exam on the same test
  - Groups will be formed on the spot, not predefined
Exam Format

Indiv. Exam → Collect → Form Groups → Group Exam
(same or subset of Indiv. Exam)
