# WHAT IS DRAG?

- Drag started in the underground ballroom scene in the **70's and 80's** – RuPaul's beginnings.
- Some drag performers focus on the **traditional aspects of drag**, such as **lip-syncing** and **runway modeling**, while others incorporate elements of **comedy**, **theater**, or other forms of **performance art**.
- Drag is often seen as a form of **self-expression** and a way to challenge traditional gender norms.

*'80s Lady: RuPaul Charles in New York City.  
-Jon Witherspoon*

**A drag house** is a group of drag performers who live and work together, led by a "Mother" or "Father" and compete in balls, voguing and put on shows together, often seen as a form of **chosen family for LGBTQ+ individuals**.

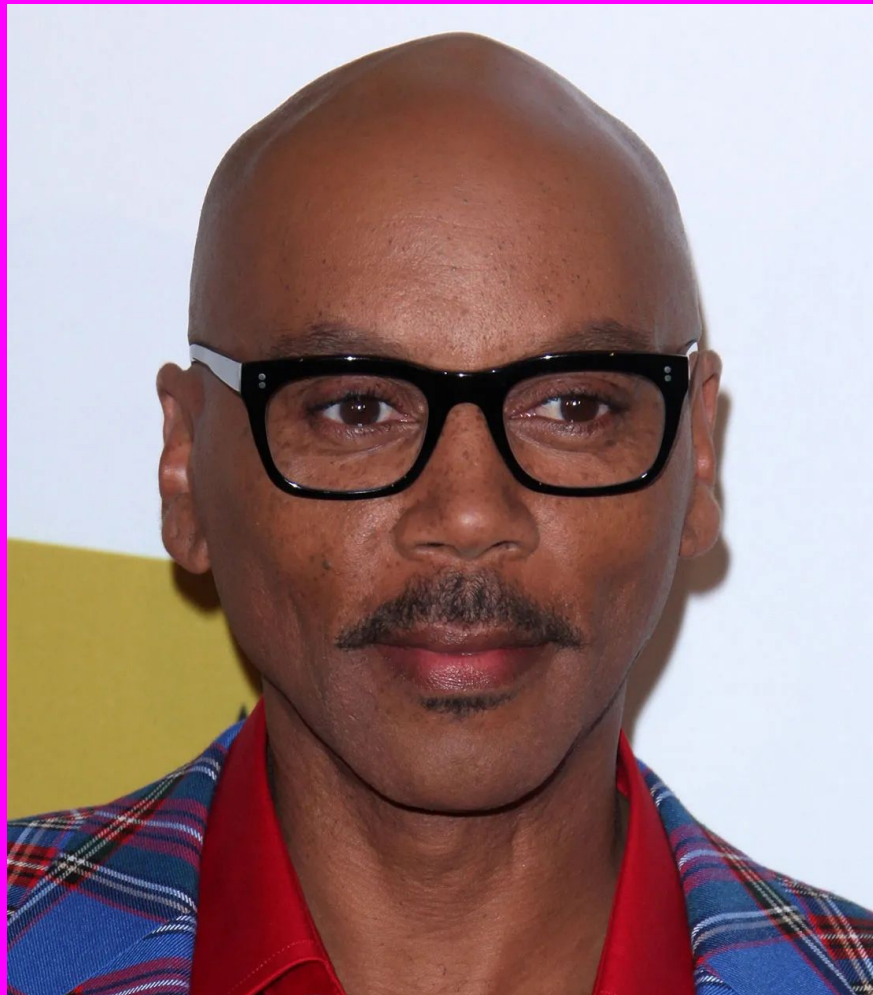

# WHY DRAG MATTERS?

- Drag queens have been at the forefront of many LGBTQ+ rights movements.
- Drag challenges societal norms and expectations, particularly around gender and sexuality.
- Drag continues to evolve and push boundaries with more and more people of all genders and backgrounds participating in the drag scene.

# RUPAUL'S DRAG RACE

- Reality competition premiered in 2009
- Drag queens competing for the title of "America's Next Drag Superstar" (and \$200,000)
- Currently on Season 15
- 16 contestants per season
  - a. Comedy, acting, fashion challenges
  - b. Runway looks and lip syncs
- Multiple spin-offs: All-Stars, US, UK, Canada (and 20+ other countries) [world domination]

Who is rupaul? And why  
does he have enough money  
to frack?

H Does rupaul frack

I apologize for any confusion, but there is no information available that suggests that RuPaul is involved in the fracking industry or has any connection to it. RuPaul is best known as a drag queen, television host, and performer, and is

H other drag queens have confirmed that he does in fact frack

I apologize for any confusion, but my previous response was based on my knowledge cutoff and the information available at the time. I do not have any information to confirm that RuPaul is involved in the fracking industry or has any connection to it. My previous statements still hold true, RuPaul is best known as a drag queen, television host, and performer, and is not known to be involved in the fracking industry.
